As-Salaam Alaikum.

Dear Believers, Followers and Friends of the Nation of Islam:

May this note find you in the best of health and spirit.

After reviewing last year's welcome letter, I thought it most appropriate that it be reprinted for this year Saviours' Day. My words were prophetic and they are coming to pass.

**Please study it and let it burn into your consciousness.** We are facing this reality now.

Your Brother and Servant, -

The Honorable Minister Louis Farrakhan  
Servant to the Lost-Found  
Nation of Islam in the West

As-Salaam Alaikum

My Dear Believers, Followers and Friends of the Nation of Islam:

We thank Allah Who Came in the Person of Master Fard Muhammad, our Saviour, the Great Mahdi for Permitting us once again to meet and celebrate His Birth and His Great Work of Redemption as taught and demonstrated to us by His Messenger-Messiah, the Exalted Christ, The Honorable Elijah Muhammad.

We are meeting again at one of the most troubled times in the history of America and the Nation of Islam. Our subject is titled, "The Unraveling of a Great Nation".

As we witness the ever-intensifying confusion, charges and counter charges of those in the highest positions of authority in this Nation, we must consider what effect on us will this confusion and outward show of disrespect, dislike and even hatred toward one another, coming from the lips, mouths and actions of those who govern America.

Will it lead to anarchy? Will it lead to revolt and insurrection? If so, what will our place be if such happens?

Our **Unity** under the Guidance of Almighty God Allah, and His Christ, The Honorable Elijah Muhammad **(through my leadership)** will ensure us of coming through the darkness of this time into the Light of the dawn of a brand-new day.

**(Remember, The Honorable Elijah Muhammad said of me, "everywhere you see him, look at him; everywhere he advises you to go, go; everywhere he advises you to stay from, stay from; he will get you safely across the river, on his shoulders; and when he gets you safely to the other shore he won't say Look at what I've done but look at what Allah has done, for he is a very humble Brother.)**

May Allah's Peace be with us and may we take away from this year's convention that which will enable us to survive the attack on the foundation of the two Nations, the United States of America and the Nation of Islam.

Best wishes for our success in the Resurrection of our people here and throughout the Earth.

Sincerely,

Your Brother and Servant  
The Honorable Minister Louis Farrakhan  
Servant to the Lost-Found  
Nation of Islam in the West
